

# SUSAN ACKERMAN, ENERGY REGULATION ATTORNEY

Home

Background

Experience

Representative Work

## PRACTICE OVERVIEW

Susan Ackerman's legal practice focuses on energy regulation matters in the Pacific Northwest.

For 25 years, Ms. Ackerman has provided advice and successfully represented a variety of organizations on energy-related issues in multiple forums:

- Ratemaking, retail and wholesale, electric and natural gas rate cases
- Power supply and natural gas purchase contracts
- Electric transmission access
- Integrated resource planning
- Competitive procurement

Ms. Ackerman specializes in advising and representing consumer-owned utilities at the federal and regional level, and independent power producers at the state regulatory level.
